Case No. MP-2001-61

The Commission revoked the certificate of insurance on file for respondent on June 12, 2001, in Order No. 6249, after the issuer of the certificate, an agent for the insurance company, repudiated the certificate it had issued for another carrier. The order gave respondent thirty days to file a new certificate of insurance signed by the insurance company.

By June 25, 2001, the Commission had received from respondent's insurance company two certificates of insurance and two lists of vehicles showing that the insurance company has issued a \$1.5 million policy covering respondent's vans and sedans and a \$5 million policy covering respondent's minibuses. Commission Regulation No. 58-03, however, provides that WMATC carriers with operating authority unrestricted as to vehicle seating capacity, such as respondent, must insure all of their revenue vehicles for \$5 million -- even their vans and sedans.

Under Regulation No. 58-09, the Commission may, upon thirty (30) days' notice, revoke its approval of any certificate of insurance if, in the judgment of the Commission, such security does not comply with the Commission's regulations or for any reason fails to provide satisfactory or adequate protection for the public. Accordingly, we will revoke respondent's certificates of insurance, effective thirty days from the date of this order. Respondent shall have until then to cancel the \$1.5 million policy, transfer the vans and sedans to the \$5 million policy and file a new \$5 million certificate of insurance.

THEREFORE, IT IS ORDERED:

1. That respondent's certificates of insurance are hereby revoked, effective thirty days from the date of this order.

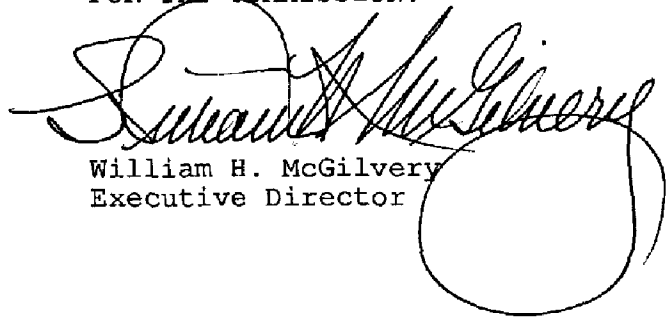

2. That respondent shall have thirty days from the date of this order to cancel the \$1.5 million policy, submit proof that it has transferred its vans and sedans to the \$5 million policy, and file a newly executed \$5 million certificate of insurance.

3. That unless respondent complies with the requirements of this order within the time allowed, Certificate of Authority No. 287 shall be invalid and stand automatically suspended pursuant to Article XI, Section 7(g), of the Compact and Commission Regulation No. 58-02 and shall be subject to immediate revocation without further proceedings.

4. That respondent may file within fifteen days from the date of this order a request for oral hearing, indicating the grounds for the request, describing the evidence to be adduced and explaining why such evidence cannot be adduced without an oral hearing.
